

FOR IMMEDIATE RELEASE

## **Zinpro Corporation Announces New Purchasing Manager**

EDEN PRAIRIE, Minn., (Jan. 19, 2009) – Larry Michelson has joined Zinpro Corporation as Purchasing Manager based out of the company’s headquarters in Eden Prairie, Minn. In this new position, Michelson’s responsibilities will involve directing and coordinating the global purchasing activities of the company, including sourcing materials and negotiation of prices, purchase contracts and supply logistics to the factories.

Michelson is a graduate of Wayne State College in Wayne, Neb., with a bachelor’s degree in education. He brings more than 30 years of purchasing and supply chain management experience to this position. Michelson was most recently with Miller Manufacturing.

As the industry leader in trace mineral nutrition for livestock and poultry, Zinpro is committed to delivering the products and educational tools needed to help customers improve the performance and profitability of their operation. For more information, visit [www.zinpro.com](http://www.zinpro.com), or call 800-445-6145.
