

THE GOLD STANDARD IN COLOSTRUM

HIgGH GOLD delivers a concentrated level of naturally occurring immune components to support overall gut health and immunity for daily wellbeing. We designed HIgGH GOLD using our unique, proprietary PathWhey™ process to gently concentrate the whey fraction and immune components, such as Immunoglobulin G (IgG), while removing casein and fat.

A GROWING GLOBAL BOVINE COLOSTRUM MARKET

- Valued at \$115M USD¹
- \$40-\$50M retail market in the US²
- Expected to reach \$207M USD (+8.8% CAGR) by the end of 2025¹

INCREASING CONSUMPTION OF DIETARY SUPPLEMENTS

- 75% of adults take dietary supplements (10% increase since 2009)³

IMMUNITY AND GI NEEDS

- 31% of US adults (ages 34-54 years old) cite immune health as the top reason for taking dietary supplements³
- 83% of Americans experience gastrointestinal issues²

COLOSTRUM PROVIDES MULTIPLE HEALTH BENEFITS

- ✓ Strengthens immune system function
- ✓ Supports digestive health
- ✓ Minimizes diarrhea and intestinal disturbances
- ✓ Protects and maintains gut epithelial barrier
- ✓ Reduces inflammation
- ✓ Promotes muscle and ligament healing

ORDERING INFORMATION

PHYSICAL APPEARANCE & FLAVOR

- Light cream-colored powder
- Mild milk flavor

PACKAGING

25 kg box

PALLET CONFIGURATION

20 boxes per pallet

SHELF LIFE

3 years from date of manufacture

STORAGE CONDITIONS

Store in a clean, dry environment. Rotate inventory to ensure fresh product.

CONTAINS

Milk

FREE FROM

Casein, GMOs, Artificial Hormones

DOES NOT CONTAIN

Gluten, Nuts, Yeast, Soy, Corn, Egg, Fish, Shellfish

MADE IN THE USA

CERTIFICATIONS

- ✓ Current Good Manufacturing Process (cGMP)
- ✓ Hazard Analysis Critical Control Point (HACCP)
- ✓ Sourced from USDA-Certified Grade A Dairy Farms
- ✓ FDA-Registered Facility
- ✓ Kosher and Halal (pending)

SPORTS NUTRITION

- whey powder
- protein/health bars
- drinks

FOOD

- functional snacks

DIETARY SUPPLEMENTS

- gut health
- immune health

BEVERAGES

- smoothie mix
